

Medi-Caps International School, Indore
Summer Assignment – 2026
Class - 6

Dear Students,

“The capacity to learn is a gift, the ability to learn is a skill, and the willingness to learn is a choice.”

This summer unlock your potential and participate in the events of the virtual world around you. Completing the summer assignment enables you to learn about current issues, empowering you in AI and confidently participating in your class discussion and much more.

The activity based projects will empower you, foster creativity, enhance knowledge and instill the joy of learning. They will help you discover **a new you** who is a confident Medi-Captain.

At Medi-Caps we work on enhancing core competencies along with academics. We desire that you adhere to the following guidelines for utilizing Summer Break productively and complete your Summer Project.

BE A WONDERFUL HUMAN BEING: KEEP IN MIND TO -

1. Follow a schedule during holidays. Be a good time manager.
2. Read newspapers daily and stay updated with current affairs.
3. Do the homework independently; only ask for assistance from your parents or guardians.
4. Give time to pursue your hobby.
5. Appreciate nature and go for “Nature Walks”, plant trees and spread the message of Nature Conservation.
6. Remember to have a wide mouthed container filled with water outside your house for birds to get respite from scorching heat.
7. Pray to the Almighty  daily and thank for the blissful life that you enjoy.

8. Be a helping hand to your parents and learn the skill of sharing the responsibilities.
9. Do the work by following the guidelines given with each work or activity.
10. Always wish and welcome the guests with a smile.
11. Spend time with your parents and grandparents, their rich experience will help you overcome challenges with ease.
12. Minimize the use of gadgets.
13. Keep the home clean and mess free.
14. After eating, keep the plate and rejoice in the beauty of nature.

HOW TO ACCOMPLISH YOUR SUMMER HOMEWORK

Begin from Day 01

It is the best advice, start your homework from day one. This will lighten your weight of work during the summer break time.

Keep your study place neat, organized and your study materials handy. This way you will not waste any of your scheduled time, which you plan to set for study and finish the homework.

Time yourself

Record your time in how many hours you are able to finish the task, this will help you to manage the time. This way of finishing your homework will also give you an idea as how to work under pressure.

SUMMER ASSIGNMENTS 2026-27

GENERAL INSTRUCTIONS:

- ❖ Keep all the assignments ready by **05th of June 2026**. A Google form link will be shared by the class teacher. Please upload your assignments carefully and properly in respective fields.

ENGLISH

- Read any one storybook (example: Panchatantra, Aesop's Fables, or Grandma's Bag of Stories). Create a favorite comic character book of 5-6 pages using an AI tool Such As Canva.
- Write a letter (minimum 150 words) in a Scrap book describing your favorite memory from the summer-break, one new skill you learned, and how you feel about starting 6th grade.
- Synonyms and Antonyms
Write **5 synonyms** and **5 antonyms** every week in your scrap book.

HINDI

- पंचतंत्र की किसी एक कहानी का सचित्र वर्णन कीजिए। कहानी का एक नया अंत (Creative Ending) लिखें। (Use canva's Magic write.)
- अपना एक शब्दकोष तैयार कीजिए जिसमें प्रतिदिन दो नए शब्द जोड़ें।
- प्रतिदिन समाचार पत्र पढ़िए व Date & Day wise मुख्य समाचार कॉपी में लिखिए।

MATHS

Data handling

Steps :

- Collect gold prices of last 5 years
- Make a table (Year & Price)
- Draw a bar graph
- Make your project attractive by drawing gold coins.

How AI was used

- Find gold price data
- Arrange it in a table
- Understand how to draw the graph
- Write the prompts used to generate data from AI and paste the generated image in your file.

SCIENCE

Deficiency Diseases Simplified

- Deficiency of certain nutrients causes diseases. Create an informative chart on 'Deficiency Diseases'. Use any AI tool to research and create the chart.

SOCIAL SCIENCE

Educational Visit Task

Visit any one place: • Sanchi Stupa • Gomatgiri • Kanch Mandir

Work to be done:

- Write 4–5 lines about the place visited.
- Write key teachings of:
 - Gautam Buddha (Middle Path, Ahimsa, Truth, Control desires)
 - Mahavira (Ahimsa, Satya, Asteya, Aparigraha)
- Draw/paste pictures of the place.
- Draw and label symbols:
 -  **Dharma Chakra** (Buddhism)
 -  **Ahimsa Symbol** (Jainism)

COMPUTER

- Create a Power Point Presentation (5 slides) on the topic “**Future of AI**” using an AI tool (Canva/Adobe/Gamma).
