

Medi-Caps International School, Indore
Circular for the Parents of Class IX & X

CIR/2026-27/03

April 01, 2026

Dear Parents

Greetings!

Subject: Foundation Classes for Class IX & X (Mathematics & Science) .

We are pleased to inform you that the school is introducing Foundation Classes for Mathematics and Science for selected students of Classes IX & X. This program aims to strengthen students' academic base and prepare them for future studies, especially for those interested in pursuing the PCMB stream.

Selection Process:

- * Selection will be conducted through an Aptitude Test.
- * Aptitude Test will be MCQ based.
- * Date of the aptitude test will be shared shortly.
- * The top 40 students will be selected based on merit.
- * In case of dropouts, students next on the merit list will be given an opportunity.
- * Selected students will be given one week to confirm their participation. They may opt out and return to their regular class within this period.
- * A separate section will be created for the selected students.

Class Structure:

- * Classes will be conducted daily:
 - Mathematics – 1 hour
 - Science – 1 hour
- * Students will attend school upto Second Shift departure for the entire session. Departure time 2:50 PM.
- * Due to the extended academic schedule, participation in sports will not be feasible.

General Guidelines:

- * No extra charges will be taken from parents.
- * Parent consent is mandatory for enrollment.
- * This program is strictly intended for students planning to opt for the PCMB stream in future.
- * In case of any doubt kindly contact the school office.
- * The timetable will be prepared and communicated accordingly.

Important Note:

- * We are attaching a Google Form link along with this circular. Kindly fill the form and select your response (Yes/No) for your ward's participation.
- * The Google Form link will remain active till 3th April.
