

Medi-Caps International School, Indore
Circular for the Parents of Class VIII

CIR/2026-27/08-C

April 04, 2026

Dear Parents,

Greetings!

Participation of Students in “Nature Exploration, Fun and Adventure Camp”

Renowned educationist Lord Baden-Powell, the founder of the world’s largest educational movement, and Gurudev Rabindranath Tagore, Nobel Laureate, strongly believed that children should participate in outdoor activities, understand nature, and learn to live close to it.

Keeping this noble objective in mind, the school is planning a “Nature Exploration, Fun and Adventure Camp” for students of classes VIII . The camp will be conducted amidst nature at Camp One Campus, located near Gidiya Khoh Waterfall, in Bhadkya Village, approximately 40 km from Indore.

Under the guidance of highly experienced trainers with over 40 years of international camping experience, students will participate in various adventure and learning activities such as running, jumping, long walks, swimming, rock climbing, jungle exploration, trekking, first-aid training, leadership development, and self-reliance. This camp aims to enhance creativity, confidence, teamwork, and a sense of responsibility among children, helping them grow into responsible citizens.

Camp Details:

Dates: From 29 April 2026 to 01 May 2026 (2 Days and 2 Nights)

Brief Camp Schedule:

Day 1 – 29.04.2026 (Wednesday)
